Magma Basin

An illustration of a dark, cavernous magma basin. The walls are dark red and black, with bright yellow and orange lightning bolts striking down. At the top, a jagged opening reveals a bright, purple and white sky with small orange stars. The overall atmosphere is fiery and intense.

Once during each player's turn, that player may attach a  Energy card from their discard pile to 1 of their Benched  Pokémon. If a player attached Energy to a Pokémon in this way, put 2 damage counters on that Pokémon.
