

A large, powerful Blaziken VMAX is the central focus, shown in a dynamic pose with its wings spread and claws raised. It has a bright orange and yellow body with black and white accents. In the background, a smaller Blaziken is visible, and a group of Pokémon, including a Zoroark, are perched on a traditional Japanese-style wooden building with a tiled roof. The scene is set against a dramatic, fiery sky with a large sun or moon.
