PATRIK SCHICK**FORWARD** **HT: 6'3" WT: 187**

There aren't many better goal scorers in the Bundesliga than Schick. The striker hit 24 league goals in 27 games in 2021/22 at an average of a goal every 87 minutes, which was the Bundesliga's second-best average. But there's more to the Czech Republic striker's game than just goals. He's skillful, has excellent technique, holds the ball up well and brings others into the game, as well as being a superb finisher with both his head and feet.
