POKÉMON
#99 KINGLER

#99 Kingler™

TYPE: WATER

Description:

This is the second and final stage of evolution for Krabby. Its large pincer has 10,000 pounds worth of crushing power. However, its huge size makes it very hard to use. In "Princess Versus Princess," Misty is trying to win the grand prize in the Princess Day Pokémon Competition. To get to the finals, Misty must defeat a host of Pokémon trainers. One of them uses Kingler, but with Ash's borrowed Bulbasaur, Misty goes on to victory!

First appearance: Episode 59 — "Princess Versus Princess"
